

Dear Captain,

We will be supplying bunkers to your good vessel.

Kindly advise us vessels ETA and after give 96 /72 / 48 / 24 hrs. ETA to our email cme-ops@chemoil.com

Please contact FUJAIRAH PORT Control by VHF channel 16 two hours before your arrival informing nature of call and bunker supplier GPS Chemoil LLC and the name of local agent

For rendezvous point, contact two hours prior to your arrival GPS CHEMOIL LLC BUNKER STATION on VHF channel 16. For emergency 24 hrs. contact phone no +971 50 4333725. Vessels carrying hazardous cargoes, anchoring position Bravo anchorage or Delta anchorage.

Note 1: Fujairah Port Authority will not accept single hull tanker in loaded condition; however single hull tankers in ballast condition could be accepted subject to Harbour Master's approval. Approval will be considered during port office hrs. only.

Please keep vessels **STBD SIDE** clear for our bunker barge to come Also advise us at the earliest your vessels Local Agent, Purpose of call (if vessel intend to call any terminal in Fujairah for loading/Discharge operations), Duration of stay Fujairah, Vessel type, Year of Built, Tanker Hull Type (Single or Double) IMO Number, Vessel (loaded or Ballast), Summer Draft, LOA, DWT, Manifold size / Distance from Stern / Height above sea level and required rate

If your good vessel is coming only for Bunkering, we GPS CHEMOIL can act as agents provided there is no other service other than bunkering. Any services other than bunkering you have to appoint a local agent for the same. FYG, Fujairah Port Authorities will not allow two agents to act for the same call.

Note 2: In case your agent is GPS CHEMOIL, kindly advise us at the earliest in order to send you ISPS code form for filling and return back to our office along with copy of international ship security certificate and copy of last port clearance. All these documents are needed by Fujairah Port Authorities at least 24 hours prior arrival. Furthermore you must please advise us and port control the sailing time immediately upon completion of bunkering.

Note 3: We will not accept any **REMARKS OR STAMPS** like charterers account, sign for volume only and any other comments other than ships stamp/sign on the bunker delivery receipt, bunkering notice, before or after ullages or on our sample labels. In case you have any remarks you may issue a separate letter of protest and our Bunker tanker Master will accept to sign such letter solely for acknowledgement. Please confirm as soon as possible in order to arrange bunkers

Please copy all your messages to our common Operations e-mail Id: cme-ops@chemoil.com

Best Regards
